DURING SESSION THE STUDENTS WILL LEARN HOW TO:

- Organize your pharmacology and prioritize your study time
- Review questions and consistently get to the correct answer
- Review an easy way to remember labs to monitor for specific medications
- Discuss strategies to remember interactions, medications, undesirable effects, and prioritize medications
- Demonstrate how to be SUCCESSFUL on the NCLEX® and your exams at school

LORETTA MANNING, MSN, RN, GNP
I CAN Publishing, Inc.

Loretta is the President and Co-Founder of I CAN Publishing®, Inc. an organization that specializes in services and resources to simplify complex information for nursing students and faculty. She is a nurse practitioner with a clinical background in pediatric trauma. She has taught in ADN, BSN and MSN programs. She has been a Director of Children's and Woman's Services at Willis Knighton Medical Center in Shreveport, LA. Loretta serves as a consultant in many schools of nursing. Loretta earned her MSN in nursing from Indiana University, BSN from Indiana State University in Terre Haute, Indiana, and nurse practitioner certificate from The University of North Carolina in Greensboro, NC. She is an international speaker and a sought after resource for faculty development and student presentations. Her expertise is in developing nursing faculty particularly in the areas of NCLEX®, item writing, teaching strategies and pharmacology focusing on integrating patient safety and Joint Commission Standards in both the classroom and clinical. Loretta has worked both nationally and internationally with nursing students in preparation for the NCLEX®. In England she worked with students from Africa, the Philippines, and Saudi Arabia. Her programs specialize in learning how to make safe clinical decisions, how to learn and manage pharmacology, and conceptual learning throughout the curriculum. Loretta is the co-author of 9 books. Her most recent books published in 2014 are “Medical Surgical Nursing Concepts Made Insanely Easy: A New Approach to Prioritizing Nursing” and “Concepts Made Insanely Easy for Clinical Nursing”. She has also co-authored “Nursing Made Insanely Easy”, “Pharmacology Made Insanely Easy”, “NCLEX-RN® 101: How to Pass” “NCLEX-PN® 101: How to Pass”, “Pathways of Teaching Nursing: Keeping it Real!” “The Eight Step Approach to Teaching Clinical Nursing” and “The Eight-Step Approach for Student Clinical Nursing”. She wrote one chapter on preparing students for the NCLEX-RN® in the book, “Mastering the Teaching Role: A Guide for Nurse Educator” (Penn, 2008). Loretta has co-developed and implemented a concept curriculum. Loretta has been awarded The Outstanding Teaching award at Northwestern State University, Outstanding Clinical Instructor at Forsyth Technical Community College, and has been awarded for outstanding student support in Student Nursing Organizations across the country. She was a graduate fellow of the Amy V. Cockcroft Leadership Development Program in 2004.
