Of all the “isms” – why Rankism matters

- Inspired by the work of Robert Fuller
- Rankism can be either good or bad
- Rankism enhances or diminishes work culture
- Rankism impacts workforce development and retention
What are Examples of Rankism in Nursing – Good or Ill?
What are Examples of Rankism in Health Care – Good or Ill?
Strategies to Attend to Diversity & Inclusion from the Lens of Rankism

- Personal awareness and sensitivity development
- Structural barriers
- Analysis of human development and exposure to “even tables”
- Reward structures re-evaluated through this lens
- Other . . .
